Instructions for Submission

Recommended browsers are as follows:

- Edge
- Google Chrome
- Firefox

If this is your first time submitting papers to HCMS, follow these guidelines.

1. Sign up as an author for submission first by clicking the link. [https://www.hcconf.tech/register](https://www.hcconf.tech/register)
   Keep in mind that the Password is case-sensitive within 6-15 characters and that the Verification Code contains no spaces.

2. Log in to the HCMS system.
   To log into the submission and tracking system, use the same email address and password you used to create your author account. [https://www.hcconf.tech/login](https://www.hcconf.tech/login)

3. Locate the conference you want to attend's entry.
   A. You will notice three buttons, "Account Overview," "My Submission," and "My Registration," after successfully logging into HCMS.
B. Please click "My Submission" and then "Submit new paper" one at a time.
