

ICMLPS

2023

International Conference
on Machine Learning and
Physical Science

Aug. 26th to 28th, 2022
Qingdao, China.

ICMLPS Invitation letter

Dear Prof./Dr. _____

It is our great honor to tell you about the International Conference on Machine Learning and Physical Science (ICMLPS 2022) will be held in Qingdao, China during August 26-28, 2022. ICMLPS 2022 is sponsored by Qingdao University, Shenyang University of Technology, and Engineering Technology Development & Innovation Society, etc.

Given your outstanding academic achievement and good international reputation in Machine Learning and Physical Science, we are pleased to officially invite you to attend ICMLPS 2022 to share your excellent research results with scientists and experts worldwide.

The conference date: Aug. 26-28, 2022

The conference location: Qingdao, Qingdao University International Hotel

Address: No.308 Ningxia Road, Qingdao City, Shandong Province

TEL: (+86) 0532-85952463

Should you require any further guidance, please do not hesitate to contact us by emailing at icmlps@icmlps.net

For furthermore information on the conference, such as Submission, Registration, please check the ICMLPS 2022 website at: <https://icmlps.net/>

Considering COVID-19 epidemic, if the virus problem can't be solved one and a half months before the conference date, ICMLPS will be held virtually as a remote conference. So please kindly pay attention to this and don't buy any travel tickets too early.
